So is this a way of saying he is uninvited? Or do you want him to attend?

Good morning, Rebecca – During discussions with the community group and the facility last week, both parties informed us that they would like to proceed with the meeting with a smaller group that includes just themselves and EPA Region 6. Hi, Rebecca – EPA Region 6 would like to bring together a small group of community stakeholders to discuss environmental odors in Crossett, Arkansas, on Saturday, July 16, 2016, from 1:30 – 3:45 p.m. at the Crossett Public Library, 1700 S. Main Street, Crossett, AR 71635. This meeting will be an opportunity to share information on the voluntary air monitoring that has been conducted and to talk about ways the community can work together on any ongoing concerns. We would like the group to include a small group of residents and representatives from local government, State agencies, and industry, so everyone can voice their perspectives and hear the viewpoints of others in an effort to improve communication and cooperation. A draft agenda is attached. Please let us know if you have any questions and if Mayor McCormick will be able to attend. Thank you! -- Tressa
